Dear Mr. Fowler:

As a result of the CIA's May 8 public information meeting, we are ready to proceed with the Phase II design for Alternative 2. Your proposal for the Phase II work should include the following items:

- o Surveys
- o Complete road construction plans, including right of way plans.
- o Sign Plans
- o Signal Plans
- o Landscape Plans

We plan to advertise this project in May of 1986, therefore, completed plans will have to be delivered to the Department by March 1, 1986.

We look forward to receiving your proposal for evaluation so we can move ahead with the completion of the design for this project.

Sincerely,

H. M. Shaver, Jr.  
 State Location and  
 Design Engineer
